Fonsifora Fresh Plan – Always a Fresh Sofa, Mattress, and Carpet

Would you like to enjoy a clean, fresh, and hygienic sofa, mattress, or carpet all year round?

With our Fonsifora Fresh Plan, you don't have to worry about a thing. You choose which items we clean, and we'll make sure they always look and feel fresh.

How it works

Choose your regular items – mix and match

You can combine different types of items in your plan. For example, we can clean a mattress, a sofa, and a carpet during the same visit – completely tailored to your needs.

4 visits per year – flexible scheduling

By default, we visit you every 3 months.

Want us to come earlier one time, for example 2 months after your last appointment? No problem – as long as there are 4 visits in total per year, you can adjust the schedule to fit your needs.

Choose the payment option that suits you best

You can pay per visit, every 6 months, or once a year – whatever works best for you.

If you choose to pay further in advance, you'll enjoy a special discount as our way of saying thank you.

Extra reward for bigger plans

If your plan includes more than 5 items in total (per visit), you receive one free cleaning of any furniture item of your choice every 6 months – on top of your regular visits.

Our prices per item (per visit, excl. VAT)

Discount on your yearly plan

We love to reward our loyal customers. That's why we offer discounts on the total amount when you pay in advance:

Payment plan	Payment schedule	Discount
Per visit	Every 3 months (or flexible)	5%
Half-yearly	Twice a year	12.50%
Annually	Once in advance	17%

Example

Let's say you choose the following items for each visit:

1 double mattress – €84,00

1 two-seat sofa – €49,00

1 one-seat sofa – €29,00

1 three-seat sofa – €69,00

Total per visit: €231,00 (excl. VAT)

That's €924,00 per year without discount.

With yearly payment, you only pay €766,92 – a saving of €157,08!

Extra services

- Stain removal from €10,00 per stain (price depends on size and type)
- Custom packages for larger projects
